Our Service

Air Cargo

We provide a comprehensive range of air cargo solutions coupled with an unparalleled level of customer service.

We move your goods quickly, safely and efficiently towards their destination via airways without any chance of off loading.

Our team is equipped to design unique ways to make your air cargo movements more comfortable and cost efficient.

Train Cargo

Our constant commitment to improvement helps us in applying our best logistics expertise and experience to deliver the best railroad logistics service to our customers.

Our fleet capacity, infrastructure and operational excellence help us in maintaining our service standards for our customers at all times.

Our core railroad service operations include rail containers and pick up of cargo, warehousing and distribution services for cargo as well as picking and packing.

Surface Cargo

We offer our self-owned fleet of vehicles of various types & capacities which are :

- 1.GPS-Enabled with Live Tracking
- 2.Completely weather-proof
- 3.Fully Containerized
- 4.Equipped with E-Lock systems

We believe in maintaining transparency with an advanced track & trace system, which helps clients in maintaining the movement of goods. We have a large fleet of containerized trucks for handling perishable & sensitive goods.
